

INITIAL CONSULTATION

Getting started at CAMHS is easy.

The first step is to schedule an Initial Consultation through the HUHS online patient portal at huhs.harvard.edu or call the CAMHS office during regular business hours.

huhs.harvard.edu

ROUTINE QUESTIONS & URGENT CARE DURING THE DAY

During CAMHS business hours call to speak directly with an administrative assistant to make, change, or cancel a routine appointment, request a refill, or request an in-person urgent care appointment Monday - Friday (617) 495-2042.

CAMHS CARES LINE 24/7

The CAMHS Cares line 617-495-2042 is a 24/7 support line for Harvard students who have mental health concerns, whether they are in immediate distress or not, on-campus or elsewhere.

Call any time, including evenings, weekends, and holidays.

CLINICIANS

We are a dedicated group of licensed mental health clinicians, nurse prescribers, psychiatrists, psychologists, and social workers.

Students are typically seen on-site at CAMHS at the Smith Campus center on the 4th floor of Health Services. There are also two satellite locations at the Harvard Law School and at the Longwood Medical Area in Boston.

VIRTUAL WORKSHOPS & GROUPS

CAMHS workshops and support groups are provided remotely and can help students build emotional skills and reach personal goals, and can also alleviate feelings of separation and loneliness. These offerings are great opportunities for students to join in a shared experience with other students.

CAMHS LOCATIONS

Smith Campus Center

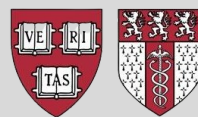

Harvard Law School: Pound Hall

Longwood Clinic: Vanderbilt Hall

Visit the website to take an anonymous and confidential online screening for anxiety, alcohol, depression, eating disorders, PTSD, and more.
